ABOUT THE UNIVERSITY

Kristu Jayanti (Deemed to be University), established in 1999, is managed by St. Joseph Province Kottayam, Kerala, of the Carmelites of Mary Immaculate (CMI). It gained autonomous status in 2013 and was conferred Deemed to be University status in July 2025 under Section 3 of the UGC Act, 1956.

The University offers undergraduate and postgraduate programmes in Arts, Science, Management, Commerce, and integrated Law. It holds the highest NAAC grade of A++ (2021) and was ranked 34th in NIRF 2025, placing it among India's top 100 institutions. Its School of Management programmes are internationally accredited by ACBSP, USA, and the institution received DBT Star College status in 2020.

Kristu Jayanti is committed to academic excellence, leadership, values, civic responsibility, environmental awareness, and developing global competencies while creating opportunities for students to excel in life.

ABOUT THE INSTITUTE

The Department offers postgraduate programs in MCA, M.Sc. Cyber Security, M.Sc. Computer Science and M.Sc. Data Science, aiming to produce skilled computer professionals equipped with modern technological expertise. These are two-year full-time programs spanning four semesters. The curriculum provides in-depth knowledge in areas such as Advanced Database Management Systems, Operating Systems, Computer Networks, Software Engineering, Artificial Intelligence, Software Testing, Web Technologies, Data Mining, and the use of open-source tools. Students are trained in an integrated academic and industry-oriented environment, enabling them to apply their knowledge effectively in real-world research and professional contexts.

ICCTAC 2027 - CALL FOR PAPERS

The International Conference on Current Trends in Advanced Computing (ICCTAC) will provide an excellent forum for sharing knowledge and results in theory, methodology, and applications of recent trends in information Technology. The aim of the conference is to provide a platform for researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field of Computer Science. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works, and industrial experiences that describe significant advances in the following areas, but not limited to Data Science, Machine learning, Human-Computer Interaction, Artificial intelligence, Mobile Computing, Parallel Computing, Cloud Computing, Data Mining, Text Mining, Web Mining, Image Processing, Artificial Intelligence, Big data Analytics, Internet of Things, Embedded Systems, Bio-inspired computing, Networks, Data Security and Software Engineering.

All selected papers will be considered for publication as Scopus-indexed book chapters or in Scopus-indexed Q3/Q4 journals, subject to the quality and novelty of the research work. The final publication and indexing status will depend on the novelty, originality, quality, and scope of the submitted paper.

Note: Non-compliance with guidelines may result in rejection. After successful registration, you will receive a confirmation mail along with the link for paper submission.

We invite students from Master’s and Engineering (MCA, M.Sc., M.E., M.Tech., M.Phil., B.E., B.Tech), PhD scholars, Industry Delegates, Researchers & Scientists to submit original, unpublished contributions for presentation. Participants are requested to submit their papers on or before **September 30th, 2026**, using the submission link. Submissions must not be previously published or under evaluation elsewhere. Papers should present original work with a clear problem description, an overview and comparison to related work, the theoretical framework or model proposed, experimental results, and conclusions. All submissions will be reviewed by a committee to ensure that only high-quality papers with originality and novelty are accepted for presentation. Plagiarism in any form will lead to outright rejection.
